## Airline Reservations

The closest airport is located in Klamath Falls, Oregon approximately 10 minutes from the Dragonfly Office. Kingsley Field ([www.FlyKFalls.com](http://www.FlyKFalls.com)) is serviced by United Express (800-241-6522). All flights into the Klamath Falls airport are routed through the airports in Portland, Oregon ([www.flypdx.com](http://www.flypdx.com)) or through San Francisco, California ([www.flysfo.com](http://www.flysfo.com))

Some visitors may prefer to fly into the Medford Airport, approximately 70 miles west of Klamath Falls ([www.co.jackson.or.us](http://www.co.jackson.or.us)). This airport is serviced by United Airlines, America West Airlines, Horizon Air and Delta Airlines. If a student is traveling alone, it is our preference that they fly directly into Klamath Falls.

## Local Area Attractions

We highly recommend a visit to Crater Lake National Park ([www.crater-lake.com](http://www.crater-lake.com)). Crater Lake is 60 miles north of Klamath Falls and is an easy day trip. In the summer months with advance notice one can stay in the Lodge that sits right on the rim of Crater Lake, providing spectacular views and sunsets.
